SERVICES & INVESTMENT GUIDE — 2026

gmcollectivelabs.net · @gm.collectivelabs · Coimbatore, India

# One studio. Three pathways.

GM Collective Labs unites engineering precision with ancient design wisdom — every offering connects to the others. A brand becomes a practice, a practice becomes a product.

01

## Sacred Geometry Design

Logos & brand identities constructed from the Flower of Life, star tetrahedron and golden ratio — marks that carry meaning, not just style.

02

## Personal Consulting

Persona Engineering, spiritual guidance and Bach Flower Remedy sessions for emotional balance and conscious self-development.

03

## Wellness App Development

Research and wellness applications engineered end-to-end — from firmware-grade architecture to soulful interface design.

### HOW AN ENGAGEMENT WORKS

1

#### Discovery

Free 15-min discovery call — map your needs and intent.

2

#### Proposal

Fixed scope, timeline and investment — no surprises.

3

#### Advance

50% advance secures your studio slot.

4

#### Creation

Crafted with revisions at defined milestones.

5

#### Delivery

Final files, docs & 30 days post-delivery support.

Referral reward — 10% off your next service when a referred client begins a project.

*“You were never lost.  
You were simply unread.”*

— GM Collective Labs

# Sacred Geometry Identity

Each mark is geometrically constructed and delivered with the story of its sacred symbolism — identity with intention.

## Essence

■ **15,000** ◆ \$500 international

- ◆ Primary logo mark · 2 concepts · 2 revision rounds
